## A NIGHT WITH CHAMPAGNE AYALA

Founded in 1860 in the heart of Aÿ Grand Cru,  
Champagne AYALA was a pioneer of low dosage wines

Each AYALA cuvée expresses the elegance of Chardonnay and embodies the singular identity of a house where every step is meticulously crafted on-site

Join us for a rare opportunity to hear the story of this historic Champagne house and taste a range of wines, including the limited cuvée Collection N°16, with AYALA's own Laurence Alamanos
